Happy Twig Events Calendar provides you with all the information you need to find the perfect activities for children. Here's what you'll get: a detailed description of the event, what age children it is designed for, time, date, address and phone number - everything you need!

Most events are free - if there is a cost, we'll let you know how much. If it is fun and for families, you'll find it in Happy Twig Events Calendar!

If you are interested in posting an event for children in our calendar please contact anna@happytwig.com

Please include the name of event, location, address, date, time, brief description, price, and a telephone contact for the public.
