Kids Event Calendar September, 2007

Welcome to Happy Twig Events Calendar - the most comprehensive, accurate and trusted guide to all the activities going on for families in the South Florida Area.

Our newsletter features more than 200 fun activities to do with your kids every day of the month. It's important to keep our children active as they learn from their environment. Staying home certainly prohibits social skills; where as, venturing out creates excitement and allows them to release all that energy. There are many people who believe in creating environments for children and who understand the importance of these facilities. So get out there and take advantage of what our community has to offer.

Summer is ending so make sure you visit the water parks for one last time this season. Starting the Fall Season most are only open to the public on weekends. Calypso Cove, Coconut Cove & Calypso Bay will be closed to the public completely and will not re-open until spring.

Happy Twig Events Calendar provides you with all the information you need to find the perfect activities for children. Here's what you'll get: a detailed description of the event, what age children it is designed for, time, date, address and phone number - everything you need!

Most events are free - if there is a cost, we'll let you know how much. If it is fun and for families, you'll find it in HappyTwig Events Calendar!

If you are interested in posting an event for children in our calendar please contact anna@happytwig.com

Please include the name of event, location, address, date, time, brief description, price, and a telephone contact for the public.

Kids Workshop – Football Rack

9:00am to noon – Free – Ages 5 to 12. Children accompanied by an adult construct projects from pre-fabricated kits. This Kids Workshop offers useful projects including the creation of tool-boxes, fire trucks and mail organizers, as well as more educational projects, such as a window birdhouse, bug-house or Declaration of Independence frame kit. The workshops teach children do-it-yourself skills and tool safety, while at the same time helping to instill a sense of accomplishment. Additionally, this fun time allows for quality one-on-one time for families. Home Depot * All Locations * www.homedepot.com
